## About Us

**Established in 1978, National Fasteners, Ludhiana** An ISO 9001:2008 Certified Company is recognized amongst the prominent **Manufacturers** of a wide range of **Industrial Fasteners and Fittings**. Our range comprises **Galvanized Fasteners, Hot Dip Fasteners, Galvanized Washer, Thread Bar, Thread Stud, Hexagonal Bolt, Hex Flange Bolts, Allen Bolt, Heavy Hex Nuts, Hi Tensile Fasteners, Nylock Nuts, Screw, Slotted Castle and Screws**. These are designed in accordance with the industrial standards and are manufactured utilizing high grade material. Our range caters to the requirements of various industries and is known for robust design, high performance and corrosion resistant. We are committed towards quality and ensure that our each product is in conformation with the international quality standards. This is why; our team of quality inspector tests our range on certain parameters to ensure its reliability, quality and durability. We are backed by a well equipped manufacturing and in-house design unit, which helps us in offering superior range to our clients. Owing to our efforts of offering quality range, we have been able to earn a huge client base not only in India but also abroad. We have carved a niche for ourselves under the able guidance of our **founder, Mr. Gurjit Singh**. He has a rich industrial experience which has been a source of inspiration for our workforce. His continuous supervision and efforts of our efficient...
